MARKET ANNOUNCEMENT
KEYBRIDGE CAPITAL LIMITED RE-ANNOUNCES ALL CASH TAKEOVER OFFER FOR
YOWIE GROUP LTD

LODGEMENT OF BIDDER'S STATEMENT FOR YOWIE GROUP LTD
AND
NOTICE OF REGISTER DATE

Keybridge Capital Limited (ASX:KBC) (**Keybridge**) announced on 29 December 2023 an off-market takeover offer for all of the ordinary shares in Yowie Group Limited (ASX:YOW) (**Yowie**), for a cash consideration of AUD 3.4 cents per Yowie Share (**the Offer**).

On 6 February 2024, Keybridge released an ASX Announcement advising that it had sought, and received, consent from the Australian Securities and Investments Commission (**ASIC**) pursuant to s. 652B of the Corporations Act 2001 (Cth), to enable the withdrawal of all unaccepted offers under its original takeover bid for Yowie, pursuant to the Bidder's Statement as released on the ASX on 29 December 2023 (**Superseded Bidder's Statement**), and re-making a further takeover bid on the same terms and conditions, as outlined in this Bidder's Statement. This Bidder's Statement also incorporates additional information in response to queries received from the ASIC.

As previously advised, Keybridge did not dispatch the Bidder's Statement by 29 January 2024, within the 28-day time period, as prescribed by item 6 of subsection 633(1) due to an administrative oversight by Keybridge personnel during the Christmas holiday period.

The consent received from ASIC under s. 652B imposed some conditions upon Keybridge, including:

- providing the new Bidder's Statement to Yowie, ASIC and ASX by 5.00pm (ESDT) on Friday 9 February 2024; and
- dispatching the new Bidder's Statement to Yowie shareholders who hold securities in the bid class as at 28 December 2023, no earlier than 14 February 2024 and by no later than 5.00pm (ESDT) on Friday 16 February 2024, unless ASIC allows otherwise.

The consent from ASIC under s. 652B also resolves issues under the Corporations Act associated with the delays by Keybridge in dispatching the Superseded Bidder's Statement, including:

- item 6 of subsection 633(1);
- subsection 612(f);
- items 1 to 4 of the table in section 611; and
- subsection 606(1)

Keybridge is making the Offer in order to increase its ownership level in Yowie and thereby achieve greater influence over Yowie's future strategy and direction.

As a result of the Offer, Yowie Shareholders now have a choice between:

- Certain cash value for their Yowie Shares; or

- The uncertainty associated with a continued holding of Yowie Shares.

Offer highlights

Yowie Shareholders can accept the Offer in respect of all or some of their Yowie Shares.

The Offer Price of AUD 3.4 cents per Yowie Share represents:

- a 9.68% premium to the one month volume weighted average price (VWAP) of Yowie Shares up to 28 December 2023.
- a 17.24% premium to the price of Yowie Shares at close the day prior to the Announcement of this Offer.

Keybridge is offering 100% cash for Yowie Shares enabling Yowie Shareholders to realise a certain cash value for their Yowie Shares in the event the Offer becomes or is declared unconditional.

The Offer is unconditional subject only to the following:

- (a) A condition that relates to the occurrences or non-occurrences of an event referred to in subsection 652C(1) or 652C(2) of the *Corporations Act 2001 (Cth)* (**Corporations Act**);

There is no minimum acceptance condition or any other condition.

As a consequence, Keybridge is now entitled under the Corporations Act to purchase Yowie Shares on-market during the bid period. Keybridge has instructed its broker, Ord Minnett, to immediately commence purchasing Yowie Shares on-market at or below the Offer Price (but reserves the right to withdraw those instructions at its discretion). There are no other conditions on any purchase by Ord Minnett of Yowie Shares on-market. This provides Yowie Shareholders with the alternative of selling their Yowie Shares on-market and receiving cash payment on a T+2 basis.

Bidder's Statement

Keybridge has today lodged its Bidder's Statement with the Australian Securities & Investments Commission and Yowie. In accordance with item 5 of section 633(1) of the Corporations Act, a copy of the Bidder's Statement accompanies this announcement.

Yowie Shareholders should review the Bidder's Statement carefully before making any decision about what action they should take.

Pursuant to the conditional consent received from ASIC under s. 652B of the Corporations Act, Keybridge will dispatch the Bidder's Statement and personalised acceptance forms to Yowie Shareholders who hold securities in the bid class as at 28 December 2023, no earlier than 14 February 2024 and by no later than 5.00pm (ESDT) on Friday 16 February 2024, unless ASIC allows otherwise.

Yowie Shareholders should consult their financial or other professional adviser if they are unsure as to what action they should take.

9 February 2024

Dear Yowie Shareholder

We are pleased to enclose this Bidder's Statement in relation to an Offer from Keybridge Capital Limited (**Keybridge or we**) to acquire some or all of your shares (**Yowie Shares**) in Yowie Group Limited (**Yowie**) for cash consideration of AUD 3.4 cents cash per share.

Benefits of the Offer

Keybridge believes that the Offer is highly attractive to Yowie Shareholders.

The Offer Price of AUD 3.4 cents per Yowie Share represents:

- a 9.68% premium to the one month volume weighted average price (VWAP) of Yowie Shares up to 28 December 2023.
- a 17.24% premium to the price of Yowie Shares at close the day prior to the Announcement of this Offer.

Keybridge is offering 100% cash for Yowie Shares enabling Yowie Shareholders to realise a certain cash value for their Yowie Shares either:

- by accepting the Offer and receiving payment should the Offer become or be declared unconditional; or
- by selling Yowie Shares on-market – Keybridge has instructed its broker, Ord Minnett, to immediately commence purchasing Yowie Shares on-market at or below the Offer Price. Keybridge reserves the right to withdraw those instructions at its discretion.

If you retain your Yowie Shares, the amount you will be able to realise for your Yowie Shares is uncertain and subject to a number of potential risks (both company-specific and market-based).

Conditions of the Offer

This Offer and any contract which results from your acceptance of the Offer is subject to the condition that, between the time beginning when this bid is announced publicly and ending at the end of the Offer Period, none of the following occurrences happen see section 11.7 of this Bidder's Statement:

- (a) Any of the events referred to in s652(C)(1) or 652C(2) of the Corporations Act.

There is no minimum acceptance condition or any other condition.

There are no other conditions on any purchase by Ord Minnett on Keybridge's behalf of your Yowie Shares on-market and all such sales will be settled on a T+2 basis.

Keybridge's Offer and intentions

At the date of this Bidder's Statement, Keybridge has a relevant interest in 35.673% of the Yowie Shares. In accordance with the Corporations Act, Keybridge is making this Offer to obtain a greater ownership level and achieve greater influence over the future strategy and direction of Yowie.

In the event Keybridge obtains a Yowie Shareholding of less than 50%, it will seek to ensure its board representation at Yowie is at least commensurate with its shareholding percentage.

If Keybridge increases its Yowie Shareholding so that Yowie becomes a subsidiary of Keybridge, Keybridge will be able to determine the composition of the Yowie Board and hence Yowie's strategy. Keybridge intends, in these circumstances, to have greater influence in the strategy of Yowie.

Further information on Keybridge’s intentions is set out in section 7 of this Bidder’s Statement.

Your choice as a Yowie Shareholder

Essentially your choice as a Yowie Shareholder is between:

- the certainty of a cash price; or
- the uncertainty associated with a continued holding of Yowie Shares.

Keybridge may or may not achieve a greater Yowie Shareholding under the Offer and Keybridge may or may not be successful in giving effect to its intentions.

If Keybridge’s Offer is unsuccessful and Keybridge cannot otherwise give effect to its intentions, the return on your investment in Yowie Shares will be dependent on an investment strategy to be determined by the existing Yowie Board.

Conclusion

I encourage you to read this Bidder’s Statement for more details about the Offer. The Offer will remain open for acceptance until 7.00pm (Melbourne time) on [date] 2024, unless extended. If you wish to accept the Offer, please complete and return the Acceptance Form enclosed with this document. Alternatively, you may consider selling your Yowie Shares on-market at the Offer price.

If you have any questions in relation to the Offer, please contact your financial or other professional advisor or contact Keybridge by email at cosec@keybrige.com.au.

Thank you for your consideration of the Offer.

Yours faithfully,

**John Patton
Chairman
Keybridge Capital Limited**

If you wish to accept the Offer, please see sections 4(f) and 11.4 of this Bidder's Statement. If you wish to sell your Yowie Shares on-market, please contact your Broker.

3 Why you should accept the Offer

1

PREMIUM OFFERED FOR YOWIE SHARES

- A **9.68% premium** to the 3.1 cent 1-month VWAP of Yowie Shares prior to the Announcement Date.
- A **17.24% premium** to the price of Yowie Shares prior to the Announcement Date.

2

CASH OFFER PROVIDES CERTAINTY OF VALUE

- Yowie Shareholders can realise a certain cash value for their Yowie Shares either:
 - by accepting the Offer and receiving payment should the Offer become or be declared unconditional; or
 - by selling Yowie Shares on-market – Keybridge has instructed its broker, Ord Minnett, to immediately commence purchasing Yowie Shares on-market at or below the Offer price (Keybridge reserves the right to withdraw those instructions in its discretion).
- In contrast, remaining a Yowie Shareholder exposes you to ongoing investment risks and uncertainties.

The consideration offered to Yowie shareholders is 100% cash which provides an opportunity for Yowie shareholders to realise their investment for certain cash value and mitigate external and company specific risks that Yowie may be subject to, which may adversely affect the future trading price of Yowie Shares, such as:

- (a) **A continuing challenging trading environment**, with the increase in raw material costs, transport and logistics increasing and the higher cost of living driving revenues down, contributing to a less than acceptable result. As a consequence, the Yowie Group's Earnings Before Interest Tax, Depreciation and Amortization (**EBITDA**) was a loss of US\$1.13 million, compared to the prior year's EBITDA gain of US\$0.184 million.¹;
- (b) **Competitive threats**, with global net sales for the year ended 30 June 2023 being 15% lower than the previous corresponding period, primarily due to softness in the Yowie core product both in the US and ANZ²; and
- (c) **Global macroeconomic conditions**, with uncertain economic conditions negatively impacting consumer purchasing decisions on non-essential food items. Also, retailers have remained cautious with inventory management and their level of promotional spend.³.

³ Yowie ASX announcement titled "Appendix 4E and 2023 Annual Report" released on 31 August 2023 (page 10).

Yowie also considers the material business risks faced by the Group which are likely to impact the financial prospects of the Group include:

- Economic uncertainty – the softness in sales from uncertain macroeconomic conditions negatively impacted consumer purchasing decisions on non-essential food items, including Yowie’s products, resulting in the Group experiencing negative operating cash flows during the current financial year. Should this trend continue, the Group is likely to further deplete its cash reserves. The Group remains committed to driving sales growth through increased retail distribution in both the US and AUS; expanding product offerings; and being competitive across all trade channels. Recent efforts to drive sales growth includes obtaining non-exclusive licensing agreements to develop, manufacture and sell seasonal confectionery products for Australian Football League (AFL), National Rugby League (NRL), Bluey Seasonal Confectionery for Easter and Christmas in Australia.
- Supply chain disruption – the Group sources products and materials from some key suppliers. The Group also has a contract manufacturing arrangement to produce Yowie products in the United States. Any disruption to this supply chain dynamic could have a material impact on the Group’s financial results. The Group continues to identify and establish relationships with multiple suppliers to minimize any potential disruptions.⁴

Further, in the 3 months to 30 September 2023, cash reserves have decreased from US\$7.402 million as at 30 June 2023 to US\$5.982 million.⁵ As at 31 December 2023, cash reserves were US\$4.526 million.⁶

7 Intentions of Keybridge regarding Yowie

7.1 Introduction

The background to Keybridge's decision to make the Offer is set out in the Keybridge Chairman's letter in section 1 of this Bidder's Statement.

This section 7 sets out more detail of Keybridge's intentions in relation to the business, assets and employees of Yowie based on information about Yowie and the business environment in which it operates that was publicly available at the time of the preparation of this Bidder's Statement, or which Yowie made available to Keybridge prior to the Announcement Date.

The statements set out in this section 7 are statements of current intention only and may vary as new information becomes available or circumstances change. The statements set out in this section 7, and in the Keybridge Chairman's letter, should be read in this context.

7.2 Keybridge's intentions in summary

In the event Keybridge obtains a Yowie Shareholding of less than 50%, it will seek to ensure its board representation at Yowie is at least commensurate with its shareholding percentage.

If Keybridge achieves a Yowie Shareholding of more than 50% such that Yowie becomes a subsidiary of Keybridge, Keybridge will be in a position to determine the composition of the Yowie Board and hence Yowie's strategy. Keybridge intends, in these circumstances to have greater influence in the strategy of Yowie.

After the end of the Offer Period, Keybridge intends to support the current Yowie Board while, subject to the Corporations Act and the constitution of Yowie, reserving its right to appoint nominees of Keybridge to the Yowie Board to reflect its controlling shareholding. Keybridge has not determined who would be nominated for appointment to the Yowie Board in such circumstances.

Keybridge would have regard to (but not necessarily comply with) the recommendations in the ASX Corporate Governance Principles and Recommendations when determining the composition of the Yowie Board and all other governance matters. Keybridge does not consider that compliance with all of the ASX Corporate Governance Principles and Recommendations would be appropriate and, should any such principles not be complied with, Keybridge would seek to procure that Yowie disclose such matters as required by the ASX Listing Rules.

Keybridge confirms that it has no plans to make any major changes to the current business operations of Yowie, including its fixed assets. Further, Keybridge has no plans to alter the current employment arrangements of its present employees.

Keybridge intends to have Yowie removed from the official list of ASX as soon as it is able to do so (subject to the level of acceptances, compliance with the requirements of the ASX Listing Rules, and legal, tax and any other considerations, and the level of acceptances at the relevant time). ASX guidance indicates that the usual conditions that ASX expects to be satisfied in order for it to approve the removal of Yowie from the official list of the ASX in the context of a successful takeover bid include:

- at the end of the Offer, Keybridge and its Associates own or control at least 75% of the Yowie Shares and the Offer has remained open for at least two weeks after Keybridge and its Associates attained ownership or control of at least 75% of the Yowie Shares; and
- the number of Yowie Shareholders (other than Keybridge and its Associates) having holdings with a value of at least \$500 is fewer than 150,

and in such case, ASX will not usually require Keybridge to obtain Yowie Shareholder approval for Yowie's removal from the official list of ASX.

In addition, Keybridge understands that ASX has also stated it will usually require the following conditions to be satisfied before it will act on a request for removal from the official list of ASX:

- Yowie send a letter or email to Yowie Shareholders advising them of the nominated time and date at which Yowie will be removed from the official list of the ASX and that if they wish to sell their Yowie Shares on ASX, they will need to do so before Yowie is removed from the official list of ASX, and if they do not, that they will only be able to sell their Yowie Shares off-market; and
- the removal of Yowie from the official list of ASX not take place any earlier than 3 months after that statement has been sent to Yowie Shareholders, so that they have at least that period to sell their Yowie Shares on ASX should they wish to do so.

In addition, if Keybridge does not meet the above conditions following the takeover, ASX may approve an application for Yowie to be removed from the official list of ASX with Yowie Shareholder approval and, where such removal is sought later than 12 months after the end of the Offer Period, Keybridge and its Associates would be entitled to vote on the resolution approving the removal.

After the end of the Offer Period, Keybridge will consider whether to initiate this course of action and may decide to seek the removal of Yowie from the official list of ASX in accordance with the above and will consider its ability to do so subject to its and its Associates' Relevant Interest in Yowie Shares following the end of the Offer Period.

If Yowie is removed from the official list of ASX, there may be risks related to remaining as a minority shareholder in Yowie. These include significantly reduced liquidity if Yowie Shareholders wish to sell their Yowie Shares.

If Yowie is not removed from the official list of ASX, Keybridge may seek to continue to increase its Relevant Interest in Yowie under the "3% creep" exception in item 9 of section 611 of the Corporations Act.

7.3 Intentions if Keybridge holds less than 50% of Yowie Shares

Keybridge's current intentions if it were to acquire a relevant interest of less than 50% of Yowie Shares are as follows.

Yowie Board

Subject to the Corporations Act and the constitution of Yowie, Keybridge will seek to reconstitute the board of Yowie so that Keybridge has greater influence on the strategy of Yowie. This may involve appointing nominees to the Yowie Board and seeking the removal of some of the existing Directors. The number and identity of possible nominees has not yet been determined by Keybridge as it will depend primarily on the level of Yowie Shareholding achieved by Keybridge.

No decisions have been made by Keybridge as to the removal of any existing Yowie Directors.

Final decisions will be made in light of circumstances, including the extent of Keybridge's Yowie Shareholding at the time.

Acquisition of further Yowie Shares

Keybridge may in the future acquire further Yowie Shares in accordance with the Corporations Act.

7.4 Intentions if Keybridge acquires more than 50% (but less than 90%) of Yowie Shares

If Keybridge were to acquire a relevant interest in more than 50% (but less than 90%) of Yowie Shares, but not all of the Yowie Shares, then Yowie would become a partly owned subsidiary of Keybridge. In these circumstances Keybridge's current intentions are as follows:

Yowie Board

Subject to the Corporations Act and the constitution of Yowie, Keybridge will seek to reconstitute the board of Yowie by nominating a majority of Keybridge nominees to the Yowie Board. This may involve appointing nominees to the Yowie Board and seeking the removal of some of the existing Directors. The number and identity of possible nominees has not yet been determined by Keybridge as it will depend primarily on the level of Yowie Shareholding achieved by Keybridge, however, it is intended that Keybridge appoint the majority of Board members.

No decisions have been made by Keybridge as to the removal of any existing Yowie Directors.

Final decisions will be made in light of circumstances, including the extent of Keybridge's Yowie Shareholding at the time.

Review of operations

Following the close of the Offer, Keybridge intends to conduct a detailed review of Yowie's business, assets and operations.

To the extent practicable, Keybridge intends to request Yowie undertake the detailed review and seek to implement such outcomes of that detailed review in a manner consistent with Keybridge's shareholding interest in Yowie at that time.

Subject to the detailed review, Keybridge's overall intention is to ensure Yowie's business operates efficiently and competitively, while reducing its overhead cost base.

Keybridge intends to prioritise capital investment and strategic business opportunities as they arise as part of its commitment to support the expansion of Yowie's business.

Moving forward, Keybridge will continue to be supportive of Yowie's management team and its employees.

In addition, should Keybridge increase its shareholding, it intends to pursue the following objectives, subject to compliance with the Corporations Act, the ASX Listing Rules and the constitution of Yowie:

- seek to have Yowie removed from the official list of ASX as soon as it is able to do so (subject to the level of acceptances, compliance with the requirements of the ASX Listing Rules, and legal, tax and other considerations, and the level of acceptances at the relevant time);
- if Keybridge and its Associates acquire 100% of Yowie Shares, it will consider converting Yowie into a proprietary limited company; and
- increase its overall influence on the governance and day to day operations of Yowie's business, seek to second Keybridge executives to assist the management team and appoint additional Keybridge nominees to the Yowie Board.

Acquisition of further Yowie Shares

Keybridge may in the future acquire further Yowie Shares in accordance with the Corporations Act.

7.5 Intentions if Keybridge acquires a relevant interest in 90% or more of Yowie Shares

If Keybridge acquires a relevant interest of 90% or more of Yowie Shares it will become entitled to proceed to compulsory acquisition of the outstanding Yowie Shares in accordance with Part 6A.1 of the Corporations Act.

In these circumstances, it is Keybridge's current intention is to seek compulsory acquisition of the outstanding Yowie Shares. In these circumstances Keybridge's intentions would be consistent with its intentions in the circumstances where it acquires more than 50% of the Yowie Shares (but less than 90%), as described in section 7.4 above.

In accordance with section 662B of the Corporations Act, Keybridge will notify all remaining Yowie Shareholders at that time that they have a right to have their shares acquired at the Offer Price.

In this circumstance, it is possible that Yowie would no longer meet the ASX Listing Rule requirement to maintain a sufficient spread of shareholders and it is possible that Yowie would be removed from the Official List of the ASX.

7.6 Overall qualification to Keybridge's intentions

If, after the conclusion of the Offer, Yowie is not a wholly owned subsidiary of Keybridge, Keybridge expects that the Directors of Yowie (including those nominated by Keybridge) will act at all times in accordance with their duties and intends that all requisite shareholder approvals and other requirements of law, including the Corporations Act and the Listing Rules, are complied with as required in pursuing any of the intentions which are referred to above.

11.7 Persons to whom the Offer is made

You may accept two or more such deemed separate corresponding Offers at the same time as if they were a single Offer for each distinct portion of Yowie Shares. An acceptance by you of one of the Offers which is deemed to exist in respect of a distinct portion of Yowie Shares is ineffective unless you have given to Keybridge a notice which, if it relates to Yowie Shares:
 - (i) in a CHESS Holding, must be in an electronic form approved by the ASX Settlement Operating Rules; or
 - (ii) in an Issuer Sponsored Holding, must be in writing,

stating that the relevant Yowie Shares consist of a distinct portion and your acceptance specifies the number of Yowie Shares in the distinct portion to which the acceptance relates. If this applies to you, please contact Keybridge by email at cosec@keybrige.com.au to arrange for such additional copies of this Bidder's Statement and Offer Acceptance Form as are necessary.

11.9 Nature of conditions

- (a) Each of the conditions in each paragraph of section 11.7 is a condition subsequent and will not prevent a contract to sell your Yowie Shares resulting from acceptance of this Offer, but any breach or non-fulfilment of any condition will entitle Keybridge to rescind a contract that results from your acceptance of this Offer as if that contract had not been formed.

- (b) Each of the conditions in each paragraph of section 11.7 constitutes and is to be construed as a separate, several and distinct condition. No condition which applies to this Offer will be taken to limit the meaning or effect of any other condition.

11.10 Waiver of conditions

Any such notice must be given not later than 3 business days after the end of the Offer Period.
- (b) If, at the end of the Offer Period, the conditions in section 11.7 have not been fulfilled and Keybridge has not declared the Offer (or the Offer has not become) free from those conditions in accordance with paragraph (a), all contracts resulting from the acceptance of the Offer and all acceptances that have not resulted in binding contracts will be automatically void.
- (c) If any condition in section 11.7 would not be fulfilled, Keybridge reserves the right to rely on it as a defeating condition or to waive it either immediately or at any later time Keybridge is lawfully able to do so.

11.11 Notice of status of conditions

11.16 Governing law

The Offer and any contract that results from your acceptance of the Offer are governed by the laws in force in Victoria, other than rules as to choice of law to the extent they are inconsistent with this clause. Keybridge and you submit to the exclusive jurisdiction of the courts of Victoria and of the Federal Courts of Australia – however, any proceedings in the Federal Court of Australia may only be commenced in the Victorian Registry of that Court.

12 Taxation Considerations

12.1 Australian tax considerations for Yowie Shareholders

The information below is based upon Australian taxation law and practice in effect at the date of this Bidder's Statement. It does not take account of any specific facts or circumstances that may apply to particular shareholders and does not constitute tax advice by Keybridge to any Yowie Shareholder. You are advised to seek independent professional advice regarding the Australian tax consequences of disposing of your Yowie Shares.

This summary deals only with the disposal of shares held on capital account and does not deal with the taxation consequences of disposing of Yowie Shares issued under an employee share scheme or acquired as a result of exercising an option granted under an employee share scheme or share option scheme, or held by:

- a share trader, professional investor, financial institution, securities dealer or life insurance company;
- an exempt organisation;
- a partnership; or
- a person acting as trustee of a trust, except in relation to the comments at 12.4 and 12.5 below.

The disposal of your Yowie Shares by accepting the Offer or by compulsory acquisition of your Yowie Shares will constitute a "CGT event" for the purposes of the Australian capital gains tax ("CGT") provisions. The disposal will occur on the date on which you accept the Offer or (if applicable) the date on which Keybridge becomes the owner of the shares under the compulsory acquisition process.

The CGT, GST and stamp duty implications of disposing of your Yowie Shares are summarised below.

12.2 Shareholders who are Australian resident companies or individuals

If you are a company, the whole of a capital gain on the disposal of your Yowie Shares will be included in the calculation of your net capital gain for the income year.

If you are an individual (not a company) and you have owned your Yowie Shares for at least one year, one-half of the capital gain on the disposal of your Yowie Shares will be included in the calculation of your net capital gain for the income year.

If you owned your Yowie Shares for less than one year before disposing of them, the whole of a capital gain on the disposal will be included in the calculation of your net capital gain for the income year. If you have a capital loss from another CGT event in the income year or carried forward from a previous income year, and that loss is set off against a capital gain on your Yowie Shares, then the set-off of the loss occurs before applying the 50% discount (if available) to the remaining gain.

For both a company and an individual, the whole of a capital loss on the disposal of your Yowie Shares will be included in the calculation of your net capital gain for the income year.

If you have a net capital gain for the income year after taking account of all CGT events, the net capital gain will be included in your assessable income for the year. If you have a net capital loss, it will be carried forward for offset against capital gains arising in future income years. For companies, utilisation of carried forward capital losses is subject to the

satisfaction of a continuity of ownership test or a same business test.

12.3 Shareholders who are non-resident companies or individuals

If you are not a resident of Australia for tax purposes and hold your Yowie Shares on capital account you will not be subject to CGT on the disposal of your Yowie Shares unless:

- (a) you used your Yowie Shares at any time in carrying on a business through a permanent establishment in Australia; or
- (b) both of these conditions apply to you:
 - (i) you (and your associates) held a beneficial interest of at least 10% in Yowie either at the time you sold your Yowie Shares or for at least 12 months during the 24 months before you sold your Yowie Shares; and
 - (ii) at the time of disposing of your Yowie Shares, 50% or more of the value of Yowie is or was represented by real property in Australia. For this purpose, indirect interests in real property are traced through entities in which Yowie has at least a 10% direct or indirect beneficial interest, and real property includes leasehold interests.

If the disposal of your Yowie shares is subject to Australian CGT, the CGT consequences of disposal will be as described in 12.2 above for an Australian resident company or individual, with the following modification. The Government has announced that the CGT discount that applies to capital gains accruing to individuals who dispose of an asset after owning it for at least one year will be restricted as follows for non-resident individuals:

- (a) the discount will not be available in respect of capital gains arising after 8 May 2012 unless the taxpayer values the asset at the end of 8 May 2012.
- (b) if a valuation is done, the discount will be available only for gains that accrued up to 8 May 2012.

The tax rules applying where non-residents dispose of indirect interests in Australian real property are complex and any Yowie Shareholder in this position should obtain specific advice on the application of the rules.

12.4 Shareholders in the capacity of trustees of complying superannuation funds

The CGT consequences of disposal of Yowie Shares by a trustee of a “complying superannuation fund”, as defined for Australian tax purposes, will be as stated in 12.2 above for an Australian resident individual, except that one third, and not one half, of a capital gain on disposal of the fund’s Yowie Shares will be excluded in calculating the fund’s net capital gain for the income year if the fund owned the Yowie Shares for at least one year prior to the date of disposal.

12.5 Shareholders in the capacity of trustees of trusts other than complying superannuation funds

The Australian income tax rules have been amended to exclude net capital gains in calculating the “income” and “net income” of a trust estate for certain purposes. Capital gains arising in trusts, to which beneficiaries of trusts are “specifically entitled”, are treated as having accrued directly to those beneficiaries.

A gain to which no beneficiary is “specifically entitled” is treated as accruing to the trustee (by election if the trust deed so permits, otherwise automatically), or is allocated on a proportionate basis to those beneficiaries of the trust who are presently entitled to income of the trust estate. If a gain is treated as accruing to a non-resident beneficiary, the trustee will be assessed on the gain that would be assessed in the hands of the beneficiary.

The tax rules regarding capital gains accruing to trusts are complex and trustees should obtain tax advice based on the specific circumstances of the trust.

12.6 GST

No Australian GST should generally be payable on the transfer of Yowie Shares, with the exception of any GST payable on any brokerage charged by your Controlling Participant for carrying out your instructions.
